

Lesley University Sexual Misconduct Confidential and Private Reporting Resources

The University will treat information regarding sexual misconduct with sensitivity. However, almost all faculty and staff members are obligated to report any knowledge of potential sexual misconduct, including sexual violence, to the Title IX Coordinator so that appropriate steps can be taken to assist the reporting individual and the University community. The table below sets forth private and confidential resources on campus. Individuals listed as “private” resources will keep information as private as possible, but are required to share information with the Title IX Coordinator. If you are unsure whether someone is a private or confidential resource, you can ask them or you can speak with the Title IX Coordinator.
